

The Honorable John C. Coughenour

UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES,

Plaintiff,

v.

KENNETH JOHN RHULE,

Defendant.

NO. CR20-105 JCC

DEFENDANT RHULE'S MOTION TO
FILE OVER-LENGTH BRIEFS

Defendant Ken Rhule, by and through undersigned counsel, hereby submits this motion respectfully asking the Court to accept his overlength motion to review and revoke the detention order (filed at Dkt. No. 48) and his reply thereto (filed at Dkt. No. 58).

The pleadings detail the relevant factual background pertaining to the charges, the legal framework, a discussion of Mr. Rhule's lifelong and extensive ties to the community, a detailed discussion of case facts rebutting various arguments made by the government at the detention hearing and in its response to the motion, an explanation of a complicated immigration situation which is relevant to the matters before the Court, a discussion about the lengthy list of proposed release conditions, and an update about the status of COVID infections at the FDC. An

1 explication of these essential facts and circumstances required pages beyond the prescribed
2 page limitations.

3 The government has requested similar relief, to which we do not object.

4 The defendant respectfully requests that the Court accept his filings, which are in excess
5 of the page limitations prescribed by CrR12(b)(5).

6 Dated this 4th day of September, 2020.
